

## **Jefferson Hospital Issues To Be Prioritized in Strategic Plan**

- A. Chronic Disease Conditions (Heart Disease, Cancer, Etc.)
- B. Issues Associated with the Hospital (Specialized Equipment, Underutilization, Emergency Room Physicians, Uninsured, Indigent Care, Etc.)
- C. Partnerships to Promote Economic Development (Lack of Industry, Unemployment/Underemployment, Poverty, Etc.)
- D. Issues Associated with Healthcare Access (Mental Health Professionals, Uninsured Populations, Etc.)
- E. Improvement/Coordination/Partnerships of Community Health Education Activities (Obesity, Diabetes, Tobacco, Nutrition, Exercise, Teen Pregnancy, STD, Recreational Activities, Etc.)
