

GEORGIA HEARTSM

HOSPITAL PROGRAM

Helping Enhance Access to Rural Treatment

Contribute to your rural hospital organization & receive a federal charitable income tax deduction and a 90% Georgia income tax CREDIT!

Follow these 5 simple steps to give your rural hospital donation a booster shot in 2017:

If you currently pay Georgia state income taxes, you can contribute to your chosen rural hospital organization and receive a Georgia income tax credit as follows:

- Individual Filer – 90% of the amount contributed or \$5,000 per tax year, whichever is less
- Married Filing Jointly – 90% of the amount contributed or \$10,000, whichever is less
- C-Corporation or Trust – 90% of the amount contributed or 75% of your Georgia income tax liability, whichever is less

Submit your 2017 HEART Tax Credit Form online today by visiting www.georgiaheart.org, or by filling out a paper HEART Tax Credit Form and mailing to Georgia HEART at 3740 Davinci Court, Suite 375, Peachtree Corners, GA 30092
